Trek ascent : 37 m

Difficulty : Easy

Type : Loop

Themes : Fauna - Flora, Archéologie

Trek

Departure : Hamlet of Chadouillet, Saint-André-de-Cruzières

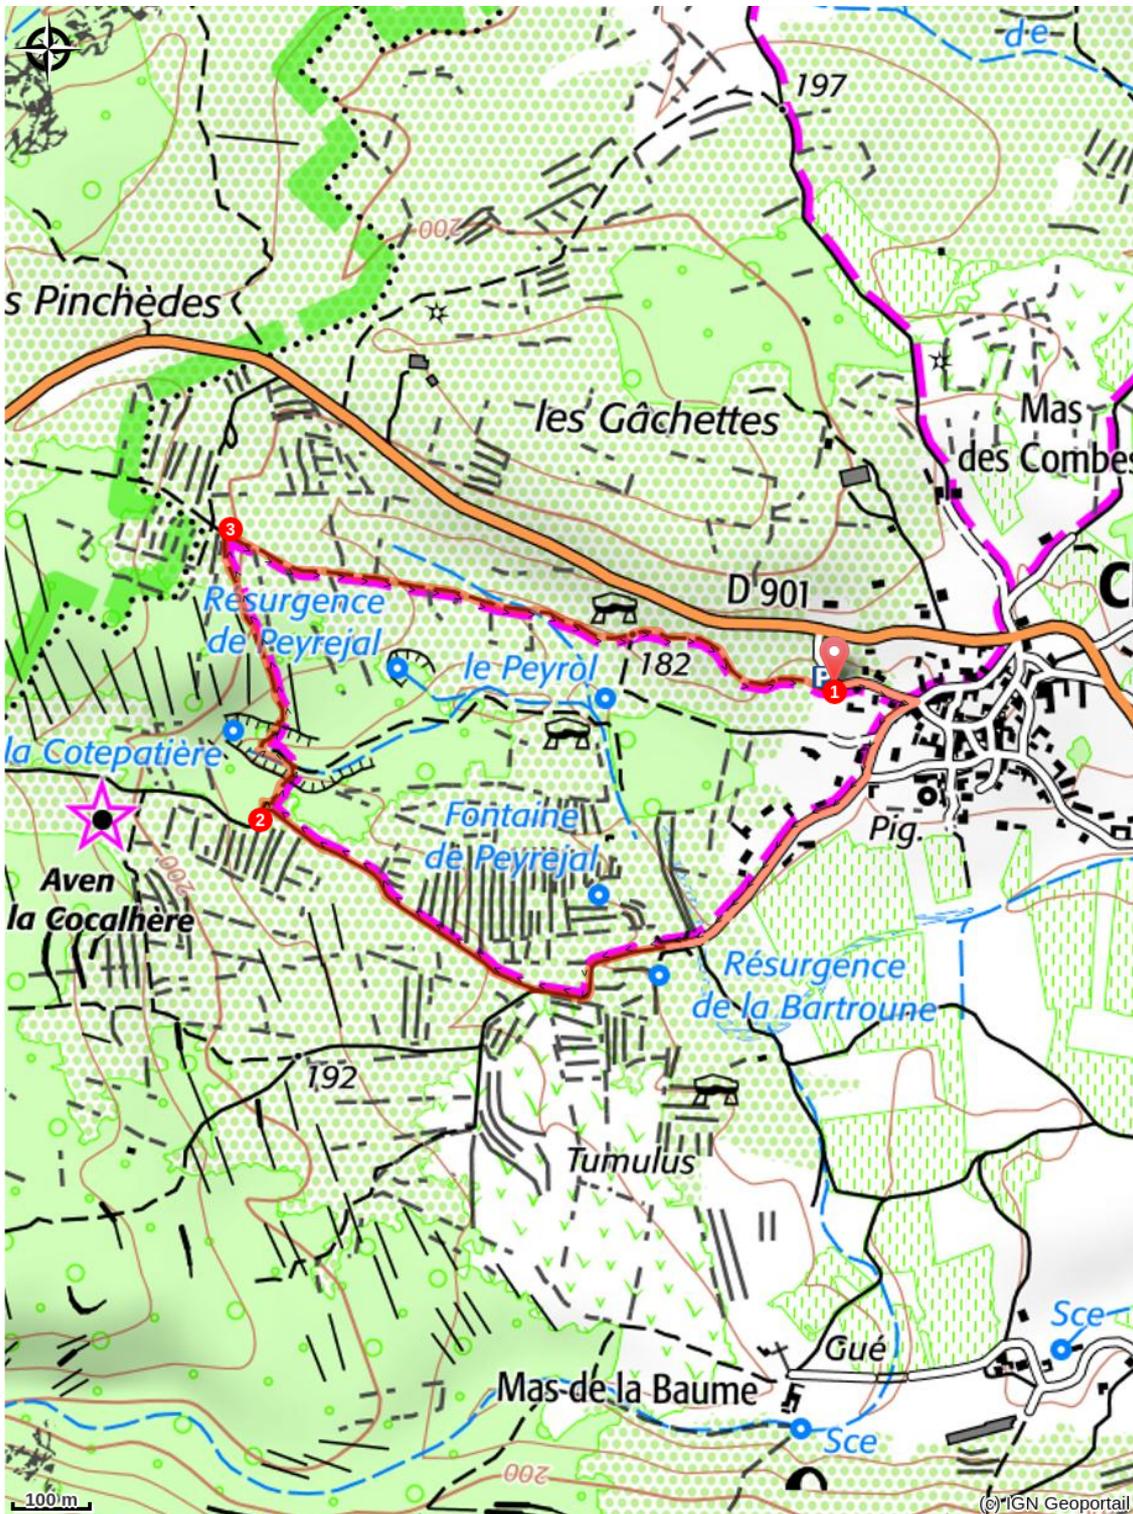

Arrival : Hamlet of Chadouillet, Saint-André-de-Cruzières

Markings : ■ Yellow markup

Cities : 1. SAINT-ANDRÉ-DE-CRUZIÈRES

P - From the Place du Planet, go to the signpost for Chadouillet.

1.  **Chadouillet** - Follow Les Courpatières 1,3 km (■). Take the first left on the Chanisse path. Continue on the small tarmac road that becomes a track. Cross the bridge and follow the path bordered by low walls.
2.  **Les Courpatières** - Follow Carissoules 0,5km. Take the path on the right, then on the left to go down through the oak trees towards the Cotepatière resurgence. When you reach the river bed, follow it for a few metres on the left, then go up a path on the right.
3.  **Carissoules** - Follow Chadouillet 0,9km. Turn right onto the path from which you can see the bell tower of Saint-André-de-Cruzières, and return to the starting point

⚠️ Advices

Be careful! The Clayse is a dry river most of the time, but it can flood very quickly during heavy rain.
