Lake - River - Waterfall

## Trek

**Departure** : Place du village, Montréal

**Arrival** : Place du village, Montréal

**Markings** :  PR

Cities : 1. MONTRÉAL 2. LAURAC-EN-VIVARAIS

Start from the village square: Take the direction of [Mas Gauthier 1 km, Laurac 3.7 km]. Cross the village through its alleys, then follow the drover's road. Cross the Charliac point, leave the road to take the path on the right. Continue along this pine-shaded cobbled path.

Mas Gauthier: [Laurac 2.7 km] On the right, follow the road for about 200m, then turn left. This very pleasant cobbled path then crosses the Farnayres stream. Continue until the junction.

Le Monteil: [Laurac 1.8 km] Continue and after 250 m, turn right then descend through the terraces to the "Chapeau du Gendarme." Follow the banks of the Toufache. At the crossroads, continue along the Toufache.

La Calade: [hiking info 0.8 km] At the crossroads, continue along the Toufache. Take advantage of your passage in Laurac to visit the village.

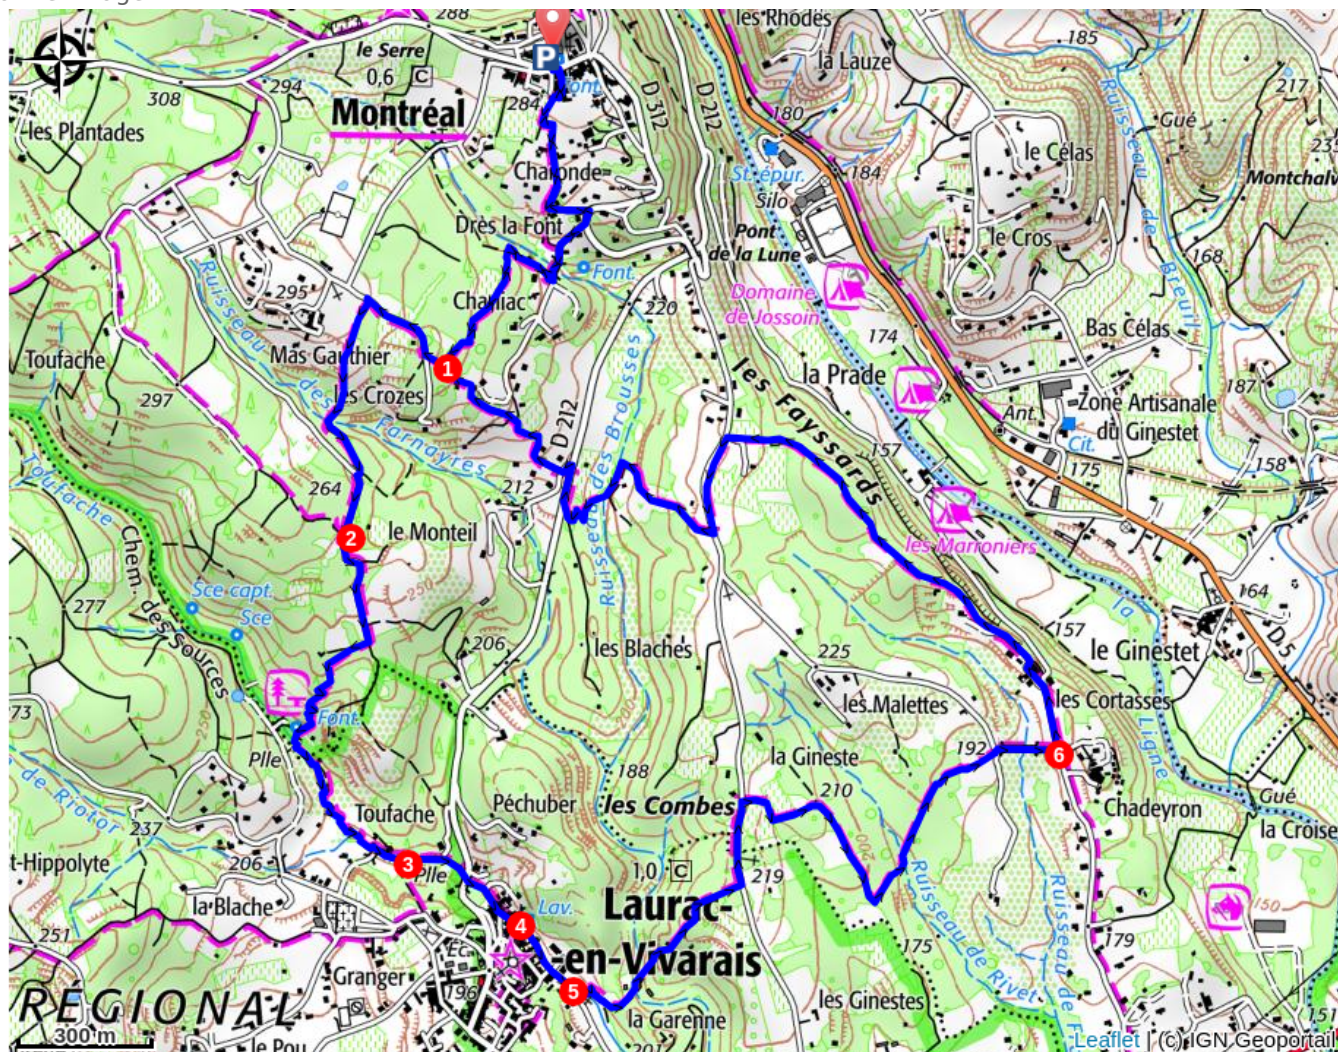

Le Lavoir: [Les Piles 0.2 km]

Les Piles: [Chadeyron 1.8 km, Uzer 6.5 km] Take the path that goes up on the left through the terraces. Follow the stream, mostly dry, on your left and after 20 m, take the trail going up on the right. This very pleasant path, called "la côte de la guerre," reaches the road. Follow it 200 m on the left, then take the path on the right crossing vineyards. After 400 m, turn left, the trail descends then climbs to join a road. Cross the bridge on the right.

Chadeyron: [Montréal 3.4 km] At the crossroads, go left. Cross the hamlet by the paved path then continue on the trail along the ledge. You overlook the Ligne and have a very nice view of the villages Largentière, Montréal, Chassiers. Reach the road. Turn left and after 250 m, take the path descending between two small walls, in the middle of terraces. Cross the stream then reach the road. Follow it for 100 m on the right then take the paved

path on the left. Continue on the cobbled trail.

Mas Gauthier: [Montréal 1 km] Turn right and take back the same path as at the beginning of the walk to return to the village.
