Arrival : Cemetery car park, Montréal

Markings : GRP Mountain biking local circuit PR

Cities : 1. CHASSIERS 2. JOANNAS 3. LARGENTIÈRE 4. MONTRÉAL 5. SANILHAC

From the parking lot of Montréal Cemetery, take the main road towards Sanilhac for 200 meters. At 4.28 km, turn right onto the path after the cross (yellow and white markers, no "Sanilhac" sign).

At 5.38 km, turn right at the intersection (yellow and white arrow, no sign or cross). Continue to the bridge at 6.14 km, then take the road to the left for 100 meters before following the marked path to the left. At 6.37 km, follow the road until 6.57 km, where you reach the hamlet of Chéron. Go straight ahead.

At 6.86 km, pass along the vineyards before turning right. Follow the yellow and white markers towards Blachis. At the Blachis locality, turn left onto the path and continue to Haut-Laval at 8 km.

Then head towards the Tour de Brison (yellow and red markers). At 8.34 km, pass by the hotel "La Bastide de Sanilhac" and take the Pouchonnet dead-end road on the right at 8.66 km.

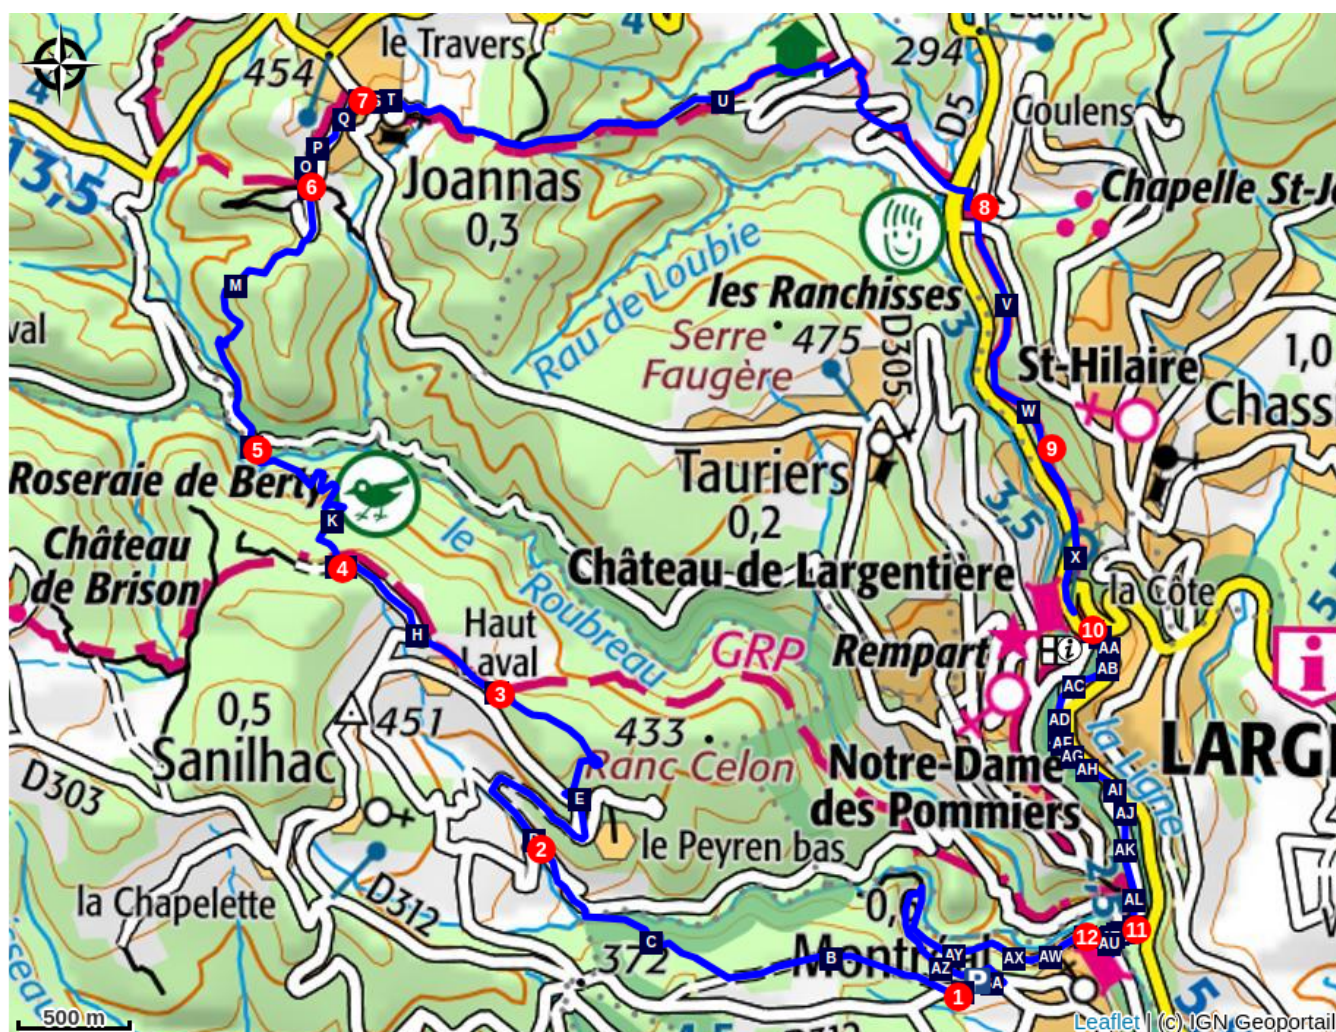

At Pouchonnet (9 km), leave the yellow and red markers and turn right towards Joannas/Le Plançon. Carefully descend this technical section. At 10.39 km, cross the Roubreau River and climb up towards Le Plançon (80 meters of carrying). Take the road towards Joannas at 10.60 km, then, after a short carrying section, descend the road towards Chassagnoles (12 km).

At 12.35 km, in Chassagnoles, turn left onto the second yellow and red marked path towards Joannas. Cross the village of Joannas (13 km) and continue on the red and yellow marked path. After 200 meters of carrying before the cross, keep following the markers.

At 16 km, descend to the Ranchisses campsite. Cross the D5 and follow the yellow and red markers to Largentière. Continue on the D5 to the traffic light. Turn right towards the fire station and follow the old railway track to the Baille locality.

From Baille, follow the Chemin des Côtes, which leads back to the parking lot at Montréal Cemetery, your starting point.

Arrival: Montréal Cemetery (19 km). ⚠

Mountain bike

Purely impassable paths without mountain bikes (no minimum or maximum distance)

How to come ?

Access

From the D5, follow Montréal. Go through the village and continue to the cemetery on your right.

Advised parking

Cemetery car park, Montréal
