From the car park outside the campsite, go through the barrier to enter the campsite and follow the  signposts. Take the second lane on the left.

1. At the 'Camping' hiking signpost , follow the sign for 'Terme de Mazer 4.3 km' straight ahead. Once you've left the tarmac, continue straight on along a track suitable for vehicles until you reach a mobile phone mast.
2. Carry on straight ahead, then turn right 300 m further on. You will then cross a huge rock slab known as 'La Grande Lauze', which offers sweeping views. In good weather, you can easily make out Mont Ventoux and the Pre-Alps.
3. At the signpost marked 'La Grande Lauze', follow the signs for 'Terme de Mazer 2.7 km, Baume d'Oullins 4.8 km' to the left. Continue for approximately 300 m before turning right onto a wide, straight track and, shortly afterwards, left.
4. At the signpost marked 'Terme de Mazer', follow 'Camping 1000 étoiles (Mas de Serret) 3.2 km, Labastide-de-Virac 8 km' to the left. Leave the signposted route and follow the new signposting from here. Continue straight ahead on this track for 650 m, then turn right. The path will now descend more steeply. Do not take the paths to the left. You will come to a narrower path.
5. At the signpost marked 'Mas de Serret', follow 'Sentiers de Gorges 4.9 km' to the right. About 400 m further down, a small path on the right leads to a magnificent viewpoint over the Gorges. After this short round trip, continue downhill.

At the "Combe d'Oullins" signpost, climb up to the Baume d'Oullins site to the right, then walk along the cliff and follow the narrow path which leads onto a track 1 km further on. Take this track to the right. At the signpost marked "Terme de Mazer", follow the sign for "La Grande Lauze 1.3 km, Orgnac l'Aven 4.5 km", which is signposted again. At the wide track, turn right then left and follow the same route as on the way there.

At the "Grande Lauze" signpost, follow "Orgnac l'Aven 3.3 km" straight ahead and leave the signposted route to follow the

new signposting. Walk down to a water reservoir and turn right. At the next junction, turn left and walk back up to the "Camping" junction. Turn left there to return to the car park.
