Arrival : Village square

Markings : PR

Cities : 1. PRADES 2. LENTILLERES

1. Departure point from the hikes info board at the village square. Take RD 323 and then continue to Margoulier hamlet.
2. Take the road on the left in Brousse direction and after 100m take a path to Montférou col.
3. You are now at Montférou pass, follow « Lentillères 2.5km » pannel. Follow the way on the right to the village hamlet. Montférou is composed of two occitan words : « Mont » : mountain and « Fero » (férou) : very irritate, furious. Does this mount attract the lightning ?
4. At the village hamlet follow the « Prades 6.4 km » pannel.
5. You are now at « les Perringues », follow the « Prades 6km » pannel and go on the track for 900m. Splendid view on the Salyndre valley and the Hautes Cévennes mountains.
6. Take the path that goes down to the right.
7. At the intersection, take right to the RD 323. Cross the RD 323 and take the « Rivier » path.
8. After the Rivier hamlet follow the road and after the cross take right. Continue the way following the signs to the village centre to reach back the starting point.

! **Advices**

The loop is delineated by yellow and white painting.
